TOPGRES

Sechs aufeinander abgestimmte Farben eignen sich für harmonische Konzepte. Die Oberfläche der Fliesen ist kratz-, abrieb- und bruchfest, was die Kollektion ideal für High-Traffic Bereiche macht. Rektifizierte Kanten für einen nahtlosen Look: Die auf exaktes Maß gefrästen Kanten ermöglichen die Verlegung mit minimalen Fugen. Es entsteht ein nahezu fugenloser Boden- oder Wandbelag.

Six color-coordinated shades create stunning spaces. The tiles' surface is resistant to abrasion, staining and breakage. Therefore, Nuance is ideal for high-traffic areas. A seamless look thanks to rectified edges: The tiles' edges were mechanically cut to allow for extremely fine grout lines.
