TOPGRES

Altbewährtes neu interpretiert - den Ursprung haben Metro-Fliesen in den U-Bahnstationen von Paris. Heute erleben sie eine Renaissance als geschmackvolle Wandgestaltung. Innovativ: Koa präsentiert die charmanten Metro Fliesen mit einer Kantenausbildung, die nach innen gearbeitet wurde.

A contemporary take on vintage tiles- Koa presents a modern twist on the classic subway tile. The InMetro tiles show an inverted beveled edge that creates a unique look.
